Terms of Use

By ordering Music Content (i.e. Backing Tracks and/or Karaoke Videos) or services from ProTrax you are agreeing to our terms and conditions as set out at www.protraxonline.com/terms-conditions. If you do not agree to these terms and conditions, you must not attempt to acquire any Music Content or services from ProTrax. In short, you may not sell, copy, distribute, edit, rebrand, repost or upload any ProTrax Backing Tracks and/or Karaoke Videos online, or to any other website or social platform. Nothing in our terms and conditions shall imply any transfer of ownership or automatic creation of any license, right, title or interest in respect of the Music Content and the associated rights. Public performance licenses must be obtained from SAMRO, who administers Performing Rights on behalf of their members by licensing music users (such as television and radio broadcasters, live music venues, retailers, restaurants, promoters and shopping centres), through the collection of licence fees which are then distributed as royalties. CAPASSO is the mechanical rights licensing agency which collects and distributes royalties to its members: music publishers and composers.
